Speaking

Grow Wellthy, Retire Happy

Audience: Financial Advisors & Their Clients Duration: 30 minutes

Overview. 81% of retirees say that “good health” is the #1 ingredient for a happy retirement. However, most retirement planning only focuses on finances. Explore the link between health & wealth, and learn to ask the one question nobody thinks about, even though it has the biggest impact on your life, both now and in retirement.

Coaching

The Wellth Academy™

Where smart investors earn back their health

Audience: Financial Advisors & Their Clients Duration: 12 wks - 12 mos

This wellness coaching program designed specifically for financial advisors provides an systematic framework for protecting & growing your greatest asset...your health. It's laid out in 3 phases: a health risk assessment, a personalized wellness portfolio, and automation. It includes 3 components: an online course, group coaching & private accountability. The result is better health, a boost in confidence, and peace of mind about your future. It's like creating a 401K for your health. Your investment now will be your security later.
